# Pro Shop Information

On behalf of the pro shop staff we would like to welcome you to Proctor-Pittsford.

We are thrilled to have you be part of one of the best clubs anywhere. Here is some information that you should find helpful.

## **Booking Tee Times**

Tee times can be made two different ways:

- Electronic tee times can be booked on line through our website, [proctor-pittsford.com](http://proctor-pittsford.com)
- The 1st time you book, you'll, be prompted to set up an online account.
- You can also call the pro shop, 802-483-9379. Weekday times can be made two weeks in advance.

## **When to Arrive:**

We suggest you arrive at least fifteen minutes before your tee time.

This gives you enough time to check in, pickup any items from the pro shop or the restaurant and be on the tee and ready to tee off at your specific time.

Arriving even earlier will also allow you time to warm up on the driving range and putting green.

## **Expected Pace of Play**

Proctor-Pittsford is a course that can be comfortably played by a foursome walking or riding in a cart in about 4 hours.

Slow play affects not only the group you are playing with, but also the entire field of golfers on the course behind you.

In order to ensure the enjoyment of all players on the course, we ask that you try maintain this pace. The easiest way for golfers to adhere to this is to simply keep up with the group ahead of them.

## Weekend Lottery System

Due to heavy demand, we operate a lottery system, exclusively for members, for weekend tee times.

## **Pro Shop Accounts**

As a member of PPCC, a house account, which can be used for any merchandise in the pro shop, has been established in your name.

Participating in any of the tournaments, put on throughout the season by our men's and women's sports committees, gives you the opportunity to win credit applied to you account.

See the men's and women's tournament information sections for more details on how you can participate.

## **Pro Shop Services**

The pro shop offers a wide variety of golf equipment and apparel, as well as several services, including club re-gripping and minor repairs.

If you don't see what you need, ask us. We can special order merchandise from a wide variety of golf manufacturers.

## **"Hole-In-One Insurance"**

A longstanding tradition in golf is that anyone making a hole-in-one is expected to buy a round for all players at the course that day, a potentially expensive endeavor! PPCC has instituted a "Hole In One Insurance" pool, which is available in the pro shop at a cost of \$5 per participant.

### **How it works:**

When a participant makes a hole-in-one, money in the pool is used to subsidize all or part of his/her bar tab. The pool then starts over with participants contributing \$5 towards the next hole-in-one. Members must participate prior to a hole in one and any money remaining in the pool will carry over for the next hole in one. If you have any questions, or would like to participate, see us in the pro shop.

Once again, welcome to Proctor-Pittsford! If you have any questions or need assistance with anything we are here to help.

# Men's Tournament Information

Welcome to Proctor-Pittsford Country Club! Below you find valuable information to help you, a new male member, "learn the ropes" of tournament participation. We are very happy to have you, and look forward to seeing you soon at Men's Nights, our weekend and major tournaments and out on the course.

## Weekend Tournaments

Almost every weekend, there is a tournament that any male member can sign up to play. To qualify to play in a weekend tournament there must be at least 3 members, including yourself in your group.

- There is a sign up sheet down in the men's locker room. You are requested to sign up before you go out to play. Include the date you are playing.
- After completion of your round, we ask that you at least post your gross score on the sheet. The Sports Committee will figure out handicaps, etc., and determine the weekly winners.
- Any winnings are recorded and kept on a list in the pro shop, posted on the bulletin board in the locker room and [posted online](#).

## Weekend Skins

Almost every weekend, the course runs a skins game for both Saturday and Sunday (and a few holidays), that is available to male members both days for a cost of \$5.

- Sign up is in the pro shop. You must sign up and pay prior to going out to play your round.
- Skins are awarded for player who make a birdie or better on a hole that no one else equals.
- As with Weekend Tournaments, any winnings will be added to the players money list.

## Men's Night

Every Thursday, there is a Men's Night. This a fun and very well attended event, and great place for meeting your other fellow members

- It is a 9-hole event that starts @ 5:00pm, with a shotgun start. The format is individual stroke play, based on handicap, with an optional skins game
- There is a sign up in the restaurant prior to the beginning of play, normally beginning around 3:45pm.
- You can sign up as an individual, and we will pair you up with other players, or you can sign up with 1, 2 or 3 other players to make your own group.
- Anything less than 4, we will fill out your group for you.
- After golf, there is a meal offered to anyone who signs up in advance.

### **Men's Night-continued:**

- There is a sheet kept in the restaurant starting on Thursday night for the following week's meal. You can also call or e-mail the restaurant or pro shop to have your name(s) added for dinner.
- The meal is noted on the signup sheet, as well as the cost (normally between \$12 - \$17, which includes meal, tax and tip).
- Deadline for dinner is normally the day before, Wednesday, but sometimes you can be added after, just call or ask to see if there is room.

### **In case you can't make the shotgun start at 5:00pm, but, would still like to participate in our Men's Night:**

We have an option where you can play on any particular Thursday during the day.

- You just sign up in the pro shop before you go out to play.
- Anyone playing outside of the shotgun start, plays the Front 9 holes for their tournament score.
- Completed cards can be returned to the pro shop or turned in by placing in the box underneath the scoreboard in the men's locker room.

### **Major Tournaments**

For the Men's Membership, the course has 4 Major Tournaments that it offers every year:

- Member-Member (June)
  - Member-Guest (July)
  - Club Championship (Labor Day Weekend)
  - Fall Classic (September)
- 
- There is pre-qualifying for the Championship Flight Division, except for the Fall Classic, which flights teams of 2 based on combined handicaps.
  - Information and sign up forms are made available well in advance of these tournaments, so you will have plenty of time to enter.
  - There is also a Senior Club Championship during Memorial Day weekend for players 55 and older.
  - There is qualifying for the Championship Flight in this tournament as well.
  - If you are not interested in that flight, you will be flighted based on your handicap (same as for the Member-Member, Member-Guest and Club Championship).

## **Scorecards**

Any scorecard turned in for Men's Night, Weekend Tournaments and/or Skins must have:

- all players first and last names
- date of play
- Any birdies or better circled on the card.

This will help the Sports Committee to effectively determine all winners.

If any card does not comply with these few requests, the card will not be considered for any winnings.

We hope you find this information valuable and helpful. If you have any other questions or concerns, don't hesitate to ask in the pro shop or any member. You can also e-mail us at:

# Women's Tournament Information

On behalf of the Women's Sports Committee, welcome to Proctor-Pittsford Country Club and congratulations on your new membership!

We are happy to have you as a new member and want you to be able to enjoy the many opportunities provided for you to meet and play with other women. This is a brief introduction to our activities but you can find detailed descriptions, dates, as well as costs for all of the events in our Women's Sports Information sheet which will be available in the locker room, online and on our first event of the year.

You can find a lot of information on the club website [www.proctor-pittsford.com](http://www.proctor-pittsford.com) including our yearly calendar and a link to online tee times. We also send out regular emails during the season, keeping members updated on upcoming events, deadlines, results and other items of interest. We post information, including results and tournament invitations from other clubs on the bulletin board in the ladies locker room. You can email us at [ppcc\\_wsc@yahoo.com](mailto:ppcc_wsc@yahoo.com).

## **Social Opening Night**

Every year we host a happy hour from 5-6pm, usually on the 1st Wednesday, of May, during which you can sign up to play the weekend tournaments and to enter our year long ringers event (see below). We will also have copies of the information sheet, the calendar and our contact information sheet. This would be a great chance to meet people and learn about the opportunities the Sports Committee sponsors.

## **Ladies Night**

We host a fun nine hole game every Wednesday which starts at 5:00 p.m. This is not a league, and you are not required to play every week. Just sign up when you can, and are interested in playing.

We are generally ready to start sign-in for the night's game at 4:15. We encourage everyone to be here by 4:30 to give us all a chance to be at our assigned tees by 5. We usually start play for the year the 2nd week of May. A sign up sheet will be posted on the bulletin board outside the pro shop each week.

On most weeks, people sign up as an individual, and we pair you up with other players. If you prefer, you can sign up with 1, 2 or 3 other players and we will fill out the groups if needed.

Once a month, we have a make-your-own-foursome team event, where we have a team game, rather than an individual game. We encourage people to form their own teams, but you can still sign up as an individual, or a 2-3 player group and we will do our best to fill out your team.

### **Ladies Night-continued:**

After golf, there is a meal served. Sign up is required in advance using the same sheet you sign up for golf. There is a set meal, as well as an option for a Chef or Caesar salad if you prefer. Meals and costs have yet to be determined for this year, but are usually \$10-15 depending on what is served. This includes tax and tip.

Following dinner, we generally award prizes for the game. Winnings are monetary amounts that can be used in the pro shop and are kept as credit on your pro shop account. We also have a 50-50 drawing each week so you could be going home with a little extra cash!

### **Weekend Tournaments**

With the exception of weekends when the course is hosting an event, there is a tournament that any female member can play. You sign up in advance for the season and play the weekends you choose-there is no requirement to play every week.

Play is Friday through Monday. The Sports Committee will post the weekend game, and a sign-up sheet on the bulletin board in the locker room. You must sign the sheet before playing and be playing with another member who can attest your score.

When your round is finished, scores are entered on the sign up sheet and scorecards are placed in the green box labeled for cards. When play is completed, the Sports Committee will determine the weekly winners. As with our Ladies Night, all winnings are given as credit to your pro shop account.

Three times during the year, we can participate in Ladies Exchanges which are hosted by area clubs. We host the exchange at PPCC every other year, and are guests of another club during the other year.

These are fun nights that are usually very well attended and are a great way to meet and play with women from other clubs. These are sometimes scheduled on Wednesdays, and would take the place of our weekly play.

### **Major Tournaments with Set Dates**

For the women, the course has three major 18 hole team tournaments

- Member-Member (June)
- Member-Guest (August)
- Invitational Turkey Trot (October)

All tournaments are flighted based on handicap. Please see the information sheet for dates, cost, tournament format and other details.

### **Major Tournaments with Set Dates-continued:**

You can also participate in the Club Championship, which is a match play event held over Labor Day Weekend. Depending on the number of players, we usually have 2-3 flights for this event. To play in the Championship Flight, you have to pre-qualify so that the matches can be seeded appropriately. The information sheet contains more details for this.

### **Major Tournaments with Floating Dates**

We sponsor two tournaments for which you play two or three rounds during a specified time period. The President's Cup is a net (based on your handicap) tournament played in June-July. The Senior/Super-Senior/Legends tournaments are played in July-August.

### **Birdie Tree**

There is a tree in the locker room where you can post the birdies, and for the few lucky ones-eagles, that you score anytime during your play at PPCC.

### **Ringers**

This is a fun year-long challenge in which you keep track of your best score on each hole on a special card in the locker room. If you keep up with it, you'll know what your theoretical best round could be! You could also win gross or net prizes at the end of the season-so definitely sign up for this!

### **Vermont State Women's Golf Association**

If you're looking for more opportunities to play competitively, the VSWGGA sponsors weekly tournaments on Tuesdays beginning in May. They also conduct the major championship events, such as the Women's Amateur, Mid-Amateur and Seniors. These require you to join the VSWGGA in advance. You can find information about these events as well as membership at [www.vswga.org](http://www.vswga.org). Our club representatives to the VSWGGA are Maggie Rafter and Liz Fothergill. You can contact them with any questions at [marafter1@gmail.com](mailto:marafter1@gmail.com) or [lfothergill2@gmail.com](mailto:lfothergill2@gmail.com).

### **Tee Times**

You can make a tee time by calling the pro-shop, using the website or using the Chronogolf app for your phone. Weekend tee times are based on a lottery system due to the amount of play, and are established and available on the Tuesday before the weekend. The Pro Shop can provide you with more information if needed.

## **Score Posting**

We encourage all of our members to keep an accurate handicap by posting all of their scores to the ghin handicap system. The pro shop will provide you with a ghin number if you do not already have one. Scores may be posted in the pro shop, on your home computer at [www.ghin.com](http://www.ghin.com) or on the ghin mobile app for your phone. You can also find more handicap information on the website, but if you have any questions, please check with one of us or with someone in the shop.

We hope this gives you an overview of what's available to you as a new female member at PPCC and how to get involved. If you have any questions at all, please do not hesitate to ask either a member of the Sports Committee, a Board Member, the great staff in the Pro Shop and any member of PPCC who has been around for a while. We encourage you to participate in whatever feels comfortable to you and we're here to help you navigate the logistics. Please send us an email if you have any questions prior to opening night!

Again, welcome to Proctor-Pittsford Country Club. We know you're going to enjoy your time here. We hope to help you discover all of what this great club has to offer!

## The PPCC Greens Club

The Greens Club was started in 1997 by long time club member Ron Doucette as a means to raise extra money for the club to use on special projects not included in the annual budget. Members and non-members purchased tickets for \$40.00 each as part of a 50/50 raffle. Each week at Men's Night a winning ticket was drawn for \$50 to the lucky winner and at the end of the year a scramble tournament with a light dinner was held for those who wanted to participate. The final drawing had winning tickets from \$50 to \$500 depending on the number of tickets sold. The remaining balance was turned over to the club.

In its first year \$4000.00 was turned over to the club and \$5000.00 each year after that for these special projects. The first purchase was a leaf blower attachment for the mower followed by new water fountains for the ponds on the 10th and 16th holes. In 2001-02 the money was used to install 1280 feet of white vinyl fencing along the 5th hole by Pratico Landscaping and Fence that still stands there today. In 2003 the money helped to build the driving range down at the foot of the 10th hole.

The Greens Club has changed slightly over the last several years. A committee now decides where to spend the money in conjunction with the course superintendent, and the board of directors. Tickets can now be purchased for \$40 each, or 3 for \$100 through an annual mailing, but they are also available at the Pro-Shop and online line via the club's website. There are 20 weekly drawings starting in May and running into September. The first ticket drawn each month is worth \$100, while the others remain at \$50 each. We still have a scramble tournament and light dinner at the end of the year where the final drawing will award prizes ranging from \$100 to \$500 depending on the number of tickets sold. Recent ticket sales have been over 350 per year, bringing in about \$12,000 in sales allowing about \$6000 per year to be returned to the club for special projects and course enhancements.

Recently upgraded floor boxes, ball washers and towels, thanks to Greens Club participation

### **The Greens Club-continued:**

In the 21 years of the Greens Club over \$101,000.00 has been returned to the club. Most recently, money was used to help renovate the bar and kitchen but many other projects have taken place including:

- Green divot mix for tees and fairways
- New green awnings above the Men's and Ladies locker rooms
- Flower box upgrades to new marble ones with mulching done throughout the course and around the clubhouse
- New hazard stakes, course signs, paint and supplies for the benches and post along with the parking lot.
- The recent purchase of 60 long handled bunker rakes for the soft sand now in the bunkers
- New embroidered tee flags and practice green flags
- New netting on the first tee box
- Driving range sign upgrades
- New ball washers, tee towels and divot mix boxes, club cleaners and golf shoe cleaners
- The purchase of plastic tees to be used by golfers to cut down on broken tees, available in the pro shop, free of charge
- Renovation of the scoreboard and caddy shack along with adding new signage ( Redfield's Bar & Grill)
- 

These are just a few enhancements that have been made over the last few years

The committee now consists of 8 members and here are some of the projects we are working on for the future:

- Replacing the marble tee markers with new ones, engraved with the PPCC logo.
- Making new bird houses, fixing and staining posts
- Building a new bag drop and divot mix cup holder
- Purchasing new club stands to be used at the range and practice area
- Replacing OB stakes with new vinyl wrapped ones

We are always looking for new projects and suggestions from the membership, and all of these projects are done by volunteer members who give up their free time to make the course better.

For any more information about the Greens Club please read the monthly newsletter put out by the club, or ask one of the current committee members. They are listed in the Greens Club section of the monthly newsletter. Please consider purchasing and participating in this great PPCC tradition. We look forward to meeting you and for your support!
