

2024 Presidents Cup: \$20

Application and Rules of Play

Deadline to sign up is June 21st and play dates are June 22nd to July 14th

Minimum of 6 players: Net winners only

The Presidents Cup consists of two 18-hole rounds of play using full handicaps. Winners are determined by the lowest net score of the combined two rounds. Play may be from the red or yellow tees. Yellow tee play requires a handicap index of 35.0 or higher.

These rounds must be played with at least one other member of the club, who may or may not be playing for the cup. All scores must be recorded on the card.

Tournament score cards must be signed and dated in the pro shop before play. These cards can only be used for the Presidents Cup.

Your score card must have your full name, PC, R or Y, and round # you are playing clearly written. Example: Jane Doe PC R Rnd1.

Enter the current course handicap (Red or Yellow) for each competitor playing for the cup.

If you are playing the President Cup and the weekend tournament on the same day they must be on separate cards and follow the guidelines for both tournaments.

Upon completion, be sure to sign the card and have it attested and return card to the tournament box in the locker room.

Do not forget to post your score to the GHIN system. It should be done at the end of the days play. All Scores must be posted by Monday, July 15th.

Good luck to all players!
