

I PINK I CAN, I PINK I CAN

The Proctor Pittsford women golfers are running a charity to benefit breast cancer awareness and research to coincide with their member/member golf tournament. We are asking for donations for this worthwhile cause.

Each year we hand out tee gifts to all the women who participate, this year we are donating that money plus the money we collect from the 50/50 raffle and money collected from "Pay the Pro". This is a great start but we need your help to reach our goal.

Please make checks payable to: **SD Ireland Cancer Research Fund:(SDICRF)**
SD Ireland is a (501C) company located in Williston, Vt.

Mail checks to: *Women's Sports Committee*
Proctor-Pittsford Country Club
P.O. Box 392

Thank you for your generosity!

Sincerely,

The sports committee

Pat, Laura, Cheryl, and Harriet
