Information for Weekend Tournaments

1. **BEFORE** beginning play, sign your name on the tournament scoresheet on the bulletin board in the locker room. You may verbally indicate in good faith to your playing partners **prior** to beginning play if you have forgotten to sign up. In this circumstance, please sign the sheet when making the turn.
2. Please write your FULL name and date on the scorecard.
3. Remember you must play with at least one other member. That person does not have to be playing the tournament, but his or her score **must** be included on the tournament scorecard.
4. Cards must be signed, dated **and** attested.
5. Post your scores to the scoresheet on the bulletin board in the locker room.
6. Place cards in the tournament scorecard box by 12:00 pm Monday in the locker room.
7. **POST YOUR SCORES TO THE GHIN SYSTEM BY 12:00 pm Monday to be eligible for prizes. Scores not posted by then will result in disqualification from the tournament.**
8. If you fail to complete play for any reason, enter a "NC" (no card) next to your name on the bulletin board. Please do not erase your name from the player list as prizes are awarded based on the number of players. A "NC" will disqualify you from the tournament.
9. Failure to comply with tournament guidelines may result in disqualification.
